About the FILM 5 Trainee Program

The FILM 5 Trainee Program is a hands-on training program for aspiring technical crew. Paralleling the Creative Team component, the Trainee program provides participants with high quality classroom training, practical on-set instruction and networking opportunities.

Trainee Program Application Form 2017

Trainee Program:

- Training from **industry professionals** through workshops
- **Hands-on learning experience** working on an industry standard film set
- **Make connections** with industry professionals and local filmmakers

Becoming a FILM 5 Trainee:

- Attend the required workshops for your position
- Attend the Set Etiquette Workshop
- Trainee Meet and Greet – meet and network with FILM 5 teams
- Pay Application Fee of \$60.00 (includes Set Etiquette Workshop)
- Submit your application form, cover letter, and resume

On the FILM 5 sets, Trainees work under key crew members from the local film industry. Keys are industry professionals responsible for running their department, and for providing guidance and leadership to the trainees. Trainees leave the production having networked with industry crew, with practical experience and resume references.

Each FILM 5 production is required to have a minimum of **four Trainees** on set. FILM 5 productions take place on a weekend in April. Each production is a two-day weekend shoot.

Creative Team Producers are responsible for reviewing resumes and hiring Trainees. Participation in the Trainee program workshops does *not* guarantee you a position on a FILM 5 set, however, we will attempt to successfully place all Trainees that apply.
